Hi, everyone. My name is Ou Mengze and I'm in the 21st year of my youth! I'm the middle of three brothers, enrolled as a design student at T University here in S City.
My parents and older brothers are all very attentive to me. I stay with my little brother and grandparents in S City. My mom insisted to give me a refined, parisian name, but it doesn't exactly match my baby face. So I guess things don't always turn out how you expect. Everybody calls me Cowlick, too. Actually, my cowlick is an elegant poetic characteristic of Jiu Dai locals!
It's all because of this baby face that my younger brother doesn't respect me! He always calls me "Cowlick" like everybody else. Humph!
[Backstory]
Our Doctor is the same kind of teenage rebellion phase!!! How many times have I told you to call me older brother!
Aren't older brothers supposed to be taller?
Sure, Cowlick.
Sure, Cowlick.
...
...
166cm 17 years old
176cm 23 years old
Damn this height difference! Another reason he doesn't respect me!
It was on that day that a long distance phone call from Mom threw both of our lives upside down.
What's up, Mom? Huh? Our older brother is coming back for work? He just moved in to S City? Zhishi has to change schools so we can all live together? The paperwork is already finished?! That was quick. We'll make use of the vacation to get ready then!
Good news, Zhixi! Our older brother is coming back to work in S City! He's got a house so we can move over there and see each other if the boss wants.
Cool.
You still can't find the paperwork for the graduation project?
Huh?
Hold on a second...
We have an older brother!?

Let's stay calm, Zhishi. At times like this, you just have to check out a few scripts and wait for updates.
Sister Li
Right.
Uncertain
Hahaha, of course! We do have an older brother! Remember when Mom and Dad brought him back for graduation? A couple years ago?
Blood is thicker than water, right?! We just need to star our memories and I'm sure we can remember what he looks like!
Right! Mental power!
Incredibly uncertain

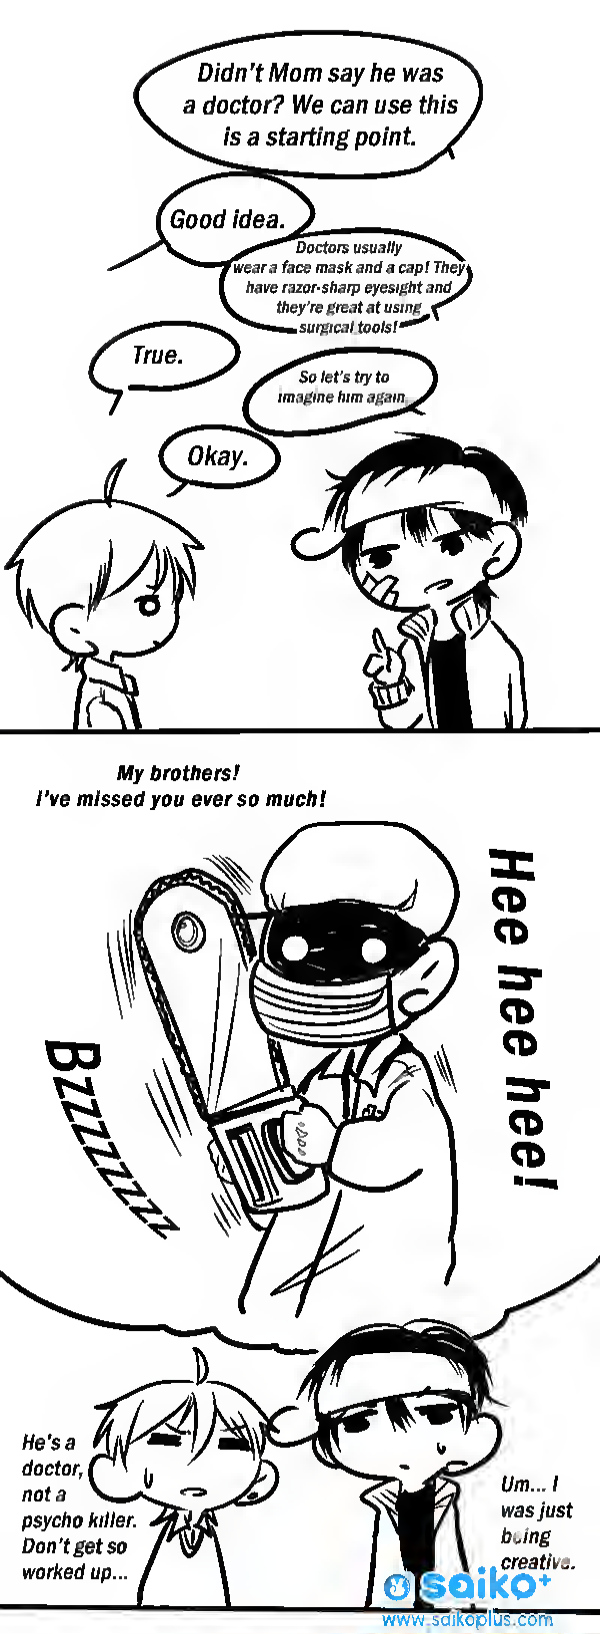
Well,
he's part of the Dai family,
so he had to have inherited our ancestral cowlick!
Yes!
He's a regular dude.
No facial abnormalities or anything.
Right.
OK, now let's use our memories to carefully piece together what he looks like!
Okay...
Hey!
Magiun- Zhizhi.
What's up?
It's me,
your big brother!
Do you guy still remember me after all these years?
Brother, we've failed you!
This is hopeless! We haven't seen him in so many years!
Plus I always forget faces!
Ugh...
Curses! You were so small at the time, Zhizhi, you can be forgiven. But even though I'm face-blind I still can't excuse myself! It's all my fault! I'm sorry, big brother!
...
Don't be so hard on yourself.
It's not your fault, Cowlick! Mom, Dad, and big bro are rarely around. Grandma and Grandpa might not even remember what he looks like.
Roooaaaaaar!
Zhi-zhi, you...
You disgraceful little turd! How dare you still call me Cowlick after all this time!?
Learn some manners!
Smack!!
Can you forget about names for now?
I'm gonna help you remember what our older brother looked like!
Ow...
What's your plan?



Didn't Mom say he was a doctor? We can use this is a starting point.
Good idea.
Doctors usually wear a face mask and a cap! They have razor-sharp eyesight and they're great at using surgical tools!
True.
So let's try to imagine him again.
Okay.
My brothers! I've missed you ever so much!
Bzzzzzz
Hee hee hee!
He's a doctor, not a psycho killer. Don't get so worked up...
Um... I was just being creative.

Hello, Cowlick

Dai Maojun

The middle of the three Dai brothers, Maojun is a 21 year old design student at T University in S City. In his spare time he publishes the manga "Epic of the Panda" on the Tofu Skin message board under the alias "Radiant Panda". He has slight OCD and face-blindness. Dai Maojun is self-deprecating, cheerful and excels at spreading good vibes. He seems athletic but he's actually a weakling, which he attributes to his height (175 cm) and his cursed baby face. People call him "Cowlick" because of his trademark hair. He sometimes draws sports doujin, saying he is moved by the youthful vigor and friendship of the young characters.

Dai Zhizhi

The youngest of the three Dai brothers, Zhizhi is a 17 year old high school student. He's the only one to inherit their father's hair color, but this makes him a little self-conscious so he always wears a headband. After middle school he's never called his middle brother Dai Maojun, instead calling him "Cowlick". He has an inexplicable conflict with their oldest brother. Zhizhi is a cosplayer and amateur singer of some renown. No matter what character he cosplays as, he always leaves his beloved cowlick, a Dai family earmark. Literature is his worst subject, but he excels in science.
